SUB: SIGNATURE 2013 (22-25 FEBRUARY): REGISTRATION OF INTEREST FOR EXPANSION OF EXHIBIT SPACE

Dear Sir,

Greetings for the New Year!

After the successful completion of recently concluded Signature IJS 2012, we are pleased to inform you that the fifth edition of Signature 2013 will be held at BCEC, Goregaon from 22nd -25th February, 2013.

Based on the post show feedback from the exhibitors, we are happy to take note that 34% exhibitors have indicated requirement of extra space for the next edition and it may be noted that there is a possibility that the show will get extended to another hall to reach 1000 booths as against 750 booths. However, the final nos. will be based on the responses received through this communication.

In order to better understand the total exhibition space requirement at BCEC, we are initiating a small survey through this REGISTRATION OF INTEREST for the subject show. The details of token amount payable for lodging your interest for participation are as follows:

Sections	Minimum Area (Sq. mts.)	Maximum Area (Sq. mts.)	Advance Payable per Sq. mtr.*
Signature Club (SC)	24	48	Rs. 7000
Studded Jewellery (ST)	9	54	Rs. 5000
Gold Jewellery (GJ)	9	54	Rs. 5000
Loose Stones (LS)	9	36	Rs. 4000

**Note: Based on the escalation in terms of revenue & inflational parameters the exhibition committee has authorized an enhancement in stall price to a maximum of 10% over last year's prices. The above charges are only an advance token for registering your interest for participation. On confirmation, the same will be adjusted against the final cost which will be different and notified at a later date. If Council is unable to provide booth as per your requirement then you will be refunded the entire advance amount made through this application.*

However, once the notice for allotment of booths will be sent out, the rules of cancellation will be enforced as Council will be dividing the various sections on the floor plan based on your requirement. It may be noted that the existing exhibitors may also indicate their space requirement through this survey irrespective of less/same / more space requirement.
